

Keep Sailing, Keep Healthy

Pegasus Radio Sailing Club acknowledges the potential for lake water to be a hazard to humans and the environment.

PRSC members and radio sailors using Lake Pegasus or any other lake can meet their own specific individual needs for protection while enjoying their sailing.

Be informed

- Read and consider the official reports and knowledge about lake water to take an informed responsibility for your specific personal wellbeing (link below)
- Bring sanitiser and hand towel or personal ideas for protection best suited to your personal wellbeing
- Respect and admire members' varied choices for personal protection
- PRSC Medal Days during the bloom are stand-alone and not counted in the end of year championship trophy

Avoid ingestion of lake water

- *Wash Clean and Dry* any body part that contacts lake water

Protect the environment

- After every sailing session, *Wash Clean and Dry* your stand, and yacht in and out
